Nunawading Triathlon Club

What a busy start to the second half of the season!

Triathlon Kids, in two months, have coached two Open Days, run the January Active Feet School Holiday Clinic and kicked off our races in 2011 over the weekend with the In2Tri Splash/Dash. We would like to welcome our new members who have joined during this period.

With such a large influx of members, I thought it would be timely to remind members the procedure to enter our races. All entries for the race need to be sent via the designated email by 3pm the day before. This allows the race director to cater for the number of lifeguards/pool helpers needed and finishing certificates to be completed that afternoon. The late entry fee of \$5 will be enforced for the remaining races.

TRYING FOR THE CURE

Triathlon Kids is supporting one of our members raise funds for the Juvenile Diabetes Research Foundation to find a cure for Juvenile Diabetes. TK has packaged a special \$30 membership that includes TK membership, T-Shirt and the last 3 races of the season for free. TK will donate \$5 to JDRF from every new membership up until our active feet triathlon on the 20th March.

We have also handed out our TK pathways cards and will do so at the Weetbix Tryathlon. The pathway card encourages your friend or family to give one of our races a tri by costing only \$5 for the race, which will then be donated to the JDRF. If you missed out on a card on the weekend then simply include your friends name and DOB in your active feet triathlon registration email and they can race for \$5.

WEET-BIX KIDS TRYATHLON

Many of our members participate in this race on Sunday 13th March. Entries are now open at <http://tryathlon.weetbix.com.au> . Also it is a great day to volunteer in transition and watch the race close up. You can register here <http://www.x-tri.com.au/default.asp?PageID=21033> to volunteer for Nunawading Triathlon Club. Sanitarium, the makers of Weetbix, will donate money for every volunteer to Triathlon National Association to assist local club programs like ours.

MARSHALLS REQUIRED FOR ACTIVE FEET TRIATHLON

To make each of our races run smoothly we have included one race in the season for you to become a marshal (unless you have paid the additional \$20). Please check the marshal duties on the website and nominate on your child's entry email.
